

Two choice MMP. Possible Voting Paper and Results table

Here is what a two choice voting paper might look like (based on 2020 Hutt South electorate voting paper.)

You may vote for a PARTY (with a second choice of party if you wish)
and for an Electorate MP

This PARTY vote decides the share of seats which each party will have in parliament. You may choose 1 or 2 parties. If your first choice party does not gain enough votes to gain any seats in parliament, your vote will go to your second choice party. Place a tick in the circle before the name of your first choice party

This ELECTORATE vote decides who will be elected Member of Parliament for Hutt South electorate. Vote by putting a tick in the circle immediately before the candidate you choose. Vote for only one candidate
